

# StaySense AI — Week 7 AI Feature Demo

Intern ID: TBI-26100053

This PDF is prepared as the Week 7 demo structure. The four screenshot areas must contain genuine screenshots from the user's running localhost application; they are intentionally not fabricated.

## Screenshot 1 — User Input Screen

INSERT REAL SCREENSHOT HERE

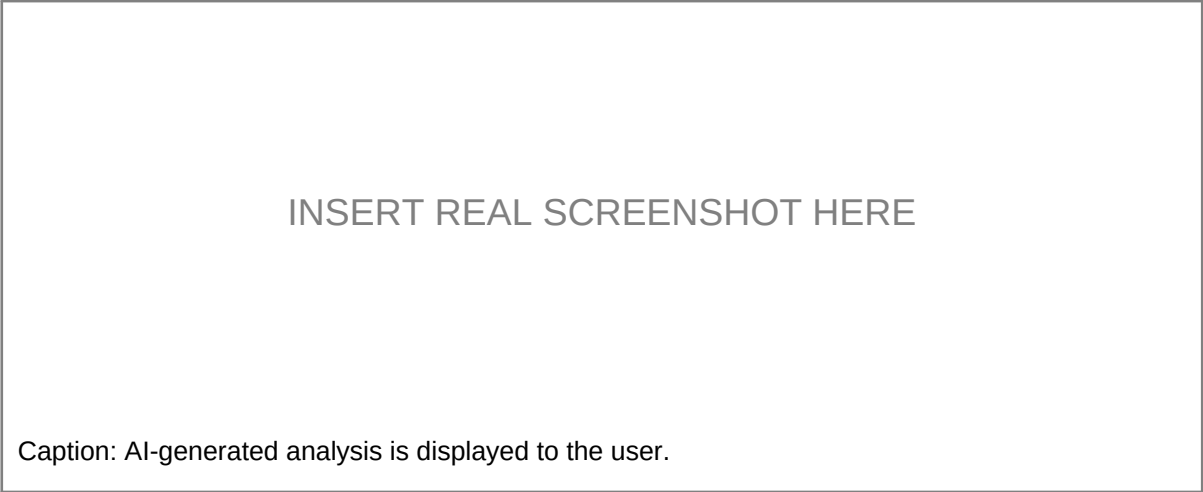

Caption: User enters a guest review before submitting it to the AI feature.

## Screenshot 2 — Loading State

INSERT REAL SCREENSHOT HERE

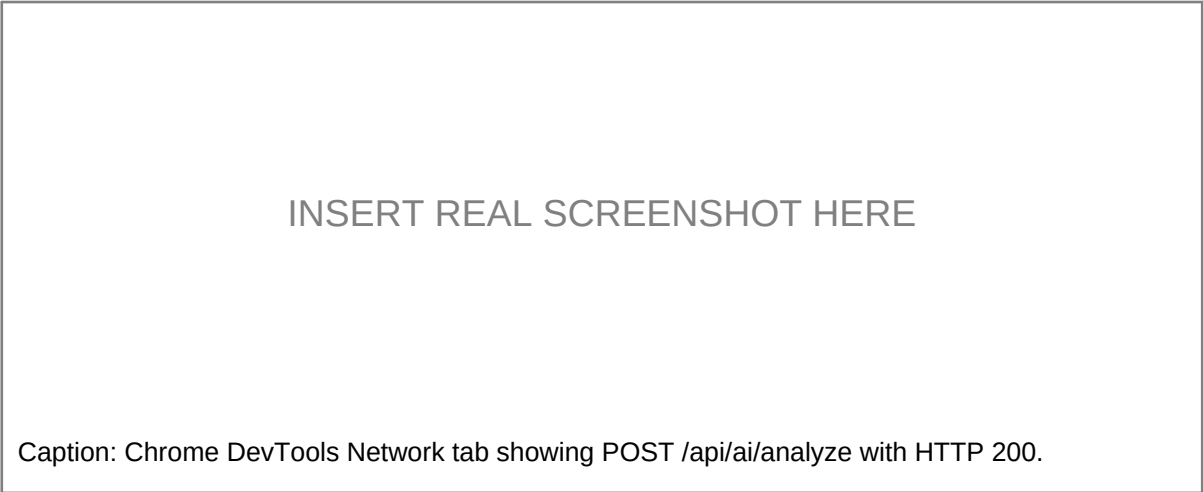

Caption: Loading state is displayed while the backend calls the AI API.

**Screenshot 3 — Final AI Output**

Caption: AI-generated analysis is displayed to the user.

**Screenshot 4 — Network Tab**

Caption: Chrome DevTools Network tab showing POST /api/ai/analyze with HTTP 200.
